## ODD FELLOWS / CONFEDERATE CEMETERY

Cemetery St at 1019 Dr Martin Luther King Jr Blvd

Established circa 1840, this is Grenada's oldest cemetery. Buried here are many prominent, early citizens, including Rev. Abraham Lucas, who performed the "marriage of Pittsburg & Tullahoma" on July 4, 1836, forming Grenada. Also buried here are victims of the 1878 Yellow Fever epidemic and approximately 150 Confederate soldiers.

## YELLOW FEVER CEMETERY

Wood St. at 2nd St. Ext. (between the depot and Jasper Neely Jr. Dr.)

Listed on the National Register of Historic Places. Contains grave sites of many of the victims of the epidemic that almost wiped out Grenada in 1878.

## CIVIL WAR FORT 1032 Mississippi 333

Scenic Loop

Two forts were built in anticipation of a battle being fought on the Yalobusha River when General Grant was advancing down the Mississippi Central Railroad. These Confederate Forts are located on U.S. Army Corps of Engineers Property on Grenada Lake, and are open to the public. One of these forts has been restored and is occasionally visited by Civil War reenactors.

## DOWNTOWN SQUARE & MURALS Main St.

Settlers in the towns of Tullahoma and Pittsburgh (both founded from Choctaw Indian land ceded to the U.S. by the Treaty of Dancing Rabbit Creek in 1830) gathered to incorporate the town of Grenada by staging a mock marriage between a Tullahoma Bride and a groom from Pittsburg. The wedding took place on the site that is now Grenada's Downtown Square. Here you can find murals that depict the life and times in the 1940s. Our square gazebo is a lovely site for hosting a number of musicians, events and holiday cheer.
